

The Carolina Girl Docks at Her New Home

~ Special events yacht venue starts new year at a new location ~

CHARLESTON, SC, Jan. 03, 2017 – Charleston's favorite yacht for hosting weddings, company outings and special events, [The Carolina Girl](#), is relocating to [St. John's Yacht Harbor](#). While many memories have been made at the previous location throughout the years at Ripley Light Marina, the new marina will add convenience with a shorter walk to board, calmer waters and breathtaking scenery for those embarking on a cruise. Lined by electric green marshes against blue skies and stunning sunsets, the Intracoastal Waterway where the marina is located, sets an iconic Charleston backdrop for event photos and striking views from the decks of the yacht.

"Over our 42 years in business, Murray Marine, LLC has hosted many celebrations starring Charleston's beautiful waterways," says Captain Bob. "We're so proud of the city we get to call home and are excited that the new location will offer guests a new experience by starting on the Stono River. In choosing this location we really kept convenience in mind as well. The much shorter walk from the dock, handicapped access and ample parking will mean easier access for our guests and vendors."

The Carolina Girl has been the venue of choice for so many of its guests' most cherished celebrations partly due to the unparalleled views she provides. With her new home, situated in a prime location for unobstructed sunsets, guests will be even more delighted with everything the pristine special events yacht has to offer.

While the Carolina Girl will continue her routes taken through the Stono River, past downtown, the battery and the Ravenel Bridge along with other must-see locations, St. John's Yacht Harbor, away from the hustle and bustle of downtown, provides a more serene landscape to begin and end any event. The scenic views on the drive to the marina alone will give guests a deeper appreciation of the Holy City.

To see her new home, please see the following video with aerial views of St. John's Yacht Harbor: [YouTube video, St. John's Yacht Harbor](#). To book an event on The Carolina Girl or for further information, please visit www.carolinagirlevents.com or call [843.818.2495](tel:843.818.2495).
